

Kitesurfing Lanka - Kiting in Paradise

The coolest sport of kitesurfing has made it to the hottest parts of the world, Sri Lanka! Rated as one of the top notch destinations in the world, Sri Lanka has some of the sweetest kiting spots. Kitesurfing Lanka (Pvt) Limited, (KSL) has been established to offer an unforgettable kitesurfing experience.

Kitesurfers share a common bond and our concept enhances this community feeling. Our accommodation options suit a range of budgetary requirements, from backpacker style tents to private chalets facing the Indian Ocean. You don't have to travel far, just out of your cabana and off you go Kitesurfing. Our spot has ocean, lagoon, waves and flat-water – what more can you ask for!

For beginners we have the Kalpitiya Lagoon to teach and practice on. Safe, wide and easy to manage, we are bound to get you riding in no time. All our instructors are internationally certified (IKO).

KSL is a joint venture between Sri Lankan born Instructor Dilsiri Welikala and French National and fellow instructor Leo Moret. Together they accumulate more kiting experience than any other person on the island. Kiting is passion and they are bound to ensure your trip will be epic!

For those out for a special treat, KSL organizes weekly kiting trips to locations that will blow your mind away. Dilsiri and Leo have kitesurfed and explored Sri Lanka like no other. They know the places and know how to organize an epic trip for you. Satisfaction guaranteed!

If you don't have gear, don't worry, KSL are distributors to some of the leading brands of kiting gear. KSL also rents gear at affordable rates.

Once you kite, you can relax in the company of fellow kitesurfers. Our chill out zone complete with bean bags, hammocks, music and movies would put you at ease. Enjoy a nice book under the stars or simply take a stroll on the beach, your experience will be heavenly. After all, this is Sri Lanka and you are bound to have the time of your life!
