# Welcome to

Kitesurfing Lanka, a hidden paradise in Kalpitiya where **epic adventure** meets a commitment to the environment. Our story began with a shared passion for kitesurfing, nature, art, and the local community. Founded by Dil and Leo, our business isn't just a place to kite; it's a reflection of our dedication to making a positive difference. We believe in **regenerative tourism**, which means our goal is to leave this land and **community** better than we found it.

DIL DISCOVERED KITESURFING IN HIS STUDENT YEARS AND STARTED A BLOG TO DOCUMENT HIS PASSION AND HE'S ALSO THE FIRST SRI LANKAN IKO CERTIFIED INSTRUCTOR. LEO WAS RESEARCHING KITESURFING IN SRI LANKA AND FOUND DIL'S BLOG SO DECIDED TO EMAIL HIM. NOT LONG AFTER THAT, THEY DID A KITE TRIP TOGETHER, BACK WHEN KALPITIYA WAS JUST STARTING TO DEVELOP.

ON THIS TRIP, THEY BECAME GOOD FRIENDS AND SHORTLY AFTER, THEY DECIDED TO START AN EPIC KITE COMPANY TOGETHER. THE FIRST YEAR THEY STARTED SMALL AND RENTED A HOTEL FOR THE SEASON. IT WAS A PERIOD OF GROWTH AND LEARNING. THEN THIS BEAUTIFUL PIECE OF LAND BECAME AVAILABLE FOR SALE AND THEY KNEW THIS WAS IT!

**JUST A WALK TO THE BEACH FROM US**

# Adventure in the Elements

Kalpitiya is a playground for wind and water sports, with two distinct wind seasons.

**Summer Season (May - October):** The wind averages 18-25 knots, perfect for riding the flat lagoon or ocean waves.

**Winter Season (December - March):** You'll find a steady 18-25 knots of wind, ideal for the flat lagoon and ocean.

**Whether you're a complete beginner or an experienced rider, we have everything you need for an unforgettable holiday. Our**

**IKO-certified instructors** offer a range of lessons, from beginner courses to advanced coaching for those wanting to learn new tricks. You can also try

**wing foiling**, a new sport that combines elements of windsurfing and foil boarding for a unique experience. Our on-site kite school, rental shop, and professional repair service mean you're always ready for the next session.

**YOU CAN WING ALL THROUGHOUT THE YEAR IN OUR OWN BEACH!**

# Beyond kitesurfing,

we offer a wide range of activities to immerse you in nature and our community.

**Excursions:** Explore the area with a Kalpitiya History Tour or a thrilling National Park Safari. Get on the water with Boat Safaris, Scuba Diving, Wakeboarding or to learn Hydrofoil.

**On-site Activities:** Start your day with a yoga class or hit the Gym. A rice and curry workshop or a cycle tour. After an active day, you can relax with a shiatsu massage, enjoy more games at both our Bars. We got board games to tabletop games like "Carrom" to Table Tennis.

**SUNSETS • PARTIES • PIZZA  
AND MORE GAMES**

Sunset offer from 05:30 p.m. – 07:30 p.m.

# KALPITIYA

## All Year, Always Wild

Paddle a kayak through Kalpitiya's calm, protected **mangrove lagoons** and see diverse water birds.

**KAYAKING IN KALPITIYA**

**THE DUTCH FORT**

**WORLD-RENOWNED LEOPARD SITE.**

**Wilpattu** is an archeologically rich and diverse national park with evidence of prehistoric, monastic, and agricultural sites.

**DOLPHINS + WHALES NOV-APR**

Experience **Kalpitiya's Bar Reef**, Sri Lanka's largest living coral reef, teeming with diverse marine life.

Exploring **Kalpitiya town**, you can witness its historic harbor and port, and the Dutch Fort.

**DIVING FROM NOV-MAY**

**FROM BOAT TO WILPATTU**

Glide through serene lagoons to Wilpattu's border, seeing ancient baobabs and abundant wildlife.

**BURNING DONKEY FESTIVAL**

**Burning Donkey Festival:** art, wellness, music, sustainability, and community celebration in May.

Experience **Kalpitiya's Bar Reef**, Sri Lanka's largest living coral reef, teeming with diverse marine life.

**AFRO-SRI LANKAN CULTURE**

They celebrate roots with rhythm, song, and dance woven into Sri Lankan life.

# Our Commitment to the Planet

We're more than just a resort – we're an eco-conscious community. We try our best to bring positive impact into everything we do.

## Join us in making a difference:

- Organise a Beach Cleanup with us.
- Ask us about our Mangrove Restoration & Local School Programs
- Experience Traditional & Community Engagement Workshops to learn and connect with local life

**Workshops:** Get creative with Upcycle Crafting with waste materials, Palm Weaving workshops. You can also hone skills like Mixology and Coffee making.

# Kite School

## How long does it take to learn Kitesurfing?

On average students need 8-12 hours to get up on the board and ride, however, this greatly depends on individuals. We recommend you commit to a minimum of 3 days of lessons to learn to ride.

## BOOK AT OFFICE FOR LESSONS

MEETING POINT: CAMP ENTRANCE

### MORNING

**Departure: 09:30 AM**

**Return to camp: 12:00 PM**

### AFTERNOON

**Departure: 02:30 PM**

**Return to camp: 05:00 PM**

## PACKING LIST FOR LESSONS
